TARIFF NUMBER

FERC 99.32.0, Local Rates Tariff

EFFECTIVE DATE

August 30, 2017 (on less than one days' notice)

In accordance with the requirements of the Interstate Commerce Act (the "ICA") and the regulations of the Federal Energy Regulatory Commission (the "Commission" or "FERC"), Colonial hereby submits for filing FERC No. 99.32.0 (the "Local Rates Tariff"), canceling FERC No. 99.31.0 (Docket Number IS17-592-000). Colonial is requesting a waiver for notice and tariff requirements under 18 CFR 341.14 and under section 6(3) of the ICA in order to have FERC No. 99.32.0 to be effective on August 30, 2017 on less than one days' notice.

FERC No. 99.32.0 is being filed to provide notice of a temporary embargo for all movements originating at Colonial's Hebert, Beaumont and Port Arthur facilities, Jefferson County, Texas, and for all deliveries to CTL-Beaumont, Jefferson County, Texas. Heavy rains from Tropical Storm Harvey have flooded the area, requiring Colonial to suspend operations at these locations until further notice. Colonial requests that the embargo remain in effect until a tariff filing is made cancelling the embargo and notifying shippers of when the Hebert area facilities will be operational. Lastly, Colonial requests that the filing to lift the embargo, which may or may not occur over a weekend, be granted a waiver for notice and tariff requirements under 18 CFR 341.14 and under section 6(3) of the ICA, in order to return to service as soon as operations permit in order to resume routine fuel supply to the East Coast.

Pursuant to 18 CFR Section 343.3, Colonial requests that any protests or complaints related to these publications be transmitted via facsimile to the attention of Helene Long at (678) 762-2883 and confirmed by her or her administrative assistant at (678) 762-2322.
